# Ask Anita!

**Dear Anita,**

Can you please give me some advice about travelling to Canada next summer? Canada is a very big country, but my family and I have only 2 weeks holiday. Can you suggest three places for us that you think we should visit, and at least three activities? We can travel anywhere in Canada – we are bilingual, so Quebec is no problem. And any other province or territory or city would also be OK, since we love travelling.

**Dear Anita,**

Last week, I started my new job as the Prime Minister of Canada. As you know, Canada – from the Maritimes, to British Columbia, to the North Pole – is a great country and I am very proud to be a Canadian. However, I would like to make it an even better place to live. What new laws or social changes could make Canada an even better place?

**Dear Anita,**

I have a really interesting homework assignment. Our teacher wants us to design a new Canadian flag. She says that the maple leaf design is great, but she wants us to think about what makes Canada special to us – and then draw that as the Canadian flag. Anita, I'm not sure what to draw. Should I draw some mountains – maybe the Rockies? Should I draw an animal like a bear? Or maybe something different? Can you give me some ideas – what makes Canada special for you? What kind of flag would you draw? What colors would you use? Thank you very much!
