# INFORMATION-GAP ACTIVITY

# Bus Travel: Schedule

**Aims** Speaking and listening practice; practice reading a bus schedule

**Level** Intermediate to Advanced

**Time** Approximately 15 – 20 minutes

## NOTES:

### (1)

Have your students sit in pairs, preferably face to face. Distribute the bus schedule handouts, "A" to one student in the pair, and "B" to the other.

Ask aloud the following questions to familiarize your students with the handout:

- (1) What is the name of the bus you are waiting for? (Crosstown 3)
- (2) How many bus stops are there on the schedule? (seven)
- (3) What time does the bus service begin? (8:30 am)
- (4) What time does the bus service finish? (8:33 pm)
- (5) What does the "W" mean? (wheelchair access is available for this bus.) (5 minutes)

### (2)

Tell them not to look at each other's handout, but that they must read aloud and describe carefully their classified ad to their partner. Tell them that there are ten differences they must find and that they have only fifteen minutes to find them. After the allotted time has passed, elicit all ten differences from your students. (10 – 15 minutes)
