

Let's Talk!

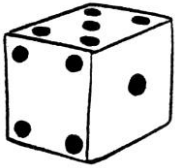

Agree or Disagree?

COVID-19

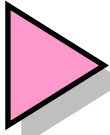

- Find your question by rolling your die twice. The 1st roll determines the number on the top. The 2nd roll determines the number on the left. Talk for one / two minute(s) and say **why you AGREE or DISAGREE with the statement.** Your classmates will ask you follow-up questions. Your classmates can ask you anything if you land on "Ask Any Question".

Ask any question!	Covid-19 will never really go away.	It's better to study online than in-person.	Pandemics only happen once every 100 years.	People should always wear face masks.	Vaccines are more dangerous than Covid-19.
It's better to work online than in-person.	Covid-19 probably came from an animal.	Doctors should get higher salaries.	Ask any question!	Countries should spend more money on healthcare.	There will always be diseases in the world.
Covid-19 isn't really very dangerous.	Lockdowns are necessary during a pandemic.	Animals can catch Covid-19 and spread it to people.	Eating at restaurants isn't really very important.	Vaccine 'passports' are a good idea.	Ask any question!
Standing 6 feet apart is not enough during a pandemic.	Ask any question!	Travel bans during a pandemic are necessary.	There is no way to prepare for a future pandemic.	Scientists should stop experimenting with viruses.	Humans should live on other planets ... just in case.
Watching a movie at theater is better than at home.	Covid-27 is a real possibility in the future.	There should be many more hospitals.	People should always social distance.	Ask any question!	Nothing is more dangerous than a pandemic.
Quarantine should be longer than 14 days.	Countries should make their own vaccines.	Ask any question!	All the online news about Covid-19 is true.	Some viruses may come from other planets.	The world will soon forget about Covid.
