

# Let's Talk

## MARS

Find your question by rolling your die twice. The 1<sup>st</sup> roll determines the number on the top. The 2<sup>nd</sup> roll determines the number on the left. **Talk for one / two minute(s) about that topic.** Your classmates will ask you follow-up questions. Your classmates can ask you anything if you land on "Ask Any Question".

1

Ask any question!

Do you think people should live on Mars?

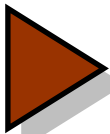

People should explore Mars. Do you agree?

Do you think there is life on Mars? Why (not)?

How are Earth and Mars similar?

How are Earth and Mars different?

2

Would you like to visit Mars? Why (not)?

Do you like to watch TV programs about Mars?

Why is Mars red?

Ask any question!

Describe a journey from Earth to Mars.

Why is traveling from Earth to Mars so difficult?

3

What should you take on a trip to Mars for a year?

What would be a good sport to play on Mars?

Describe what a Martian might look like.

What kind of food will astronauts eat on Mars?

Should astronauts bring animals to Mars?

Ask any question!

4

What do you know about Elon Musk and SpaceX?

Ask any question!

We should 'fix' Earth before we visit Mars. Yes or no?

Why is Mars named after a Roman god?

What is a Mars rover? What can it do?

What will a Martian city look like in the future?

5

UFOs come from Mars. Do you agree or disagree?

Should we make Mars become like Earth? Why (not)?

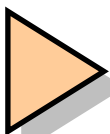

Should students learn more about Mars in school?

Do you think there was life on Mars in the past?

Ask any question!

What do you know about the climate of Mars?

6

What do you know about the geography of Mars?

What other planets should we also explore?

Ask any question!

How might space exploration help people on Earth?

Which is better: robots on Mars or people?

We will soon find life on Mars. Do you agree?
