McDONALD'S

Question: *How often do you eat at McDonald's?*

- Read the article below and then answer the questions.

McDonald's Restaurant

There are many restaurants in the world but probably the most famous is McDonald's. McDonald's has more than 34,000 restaurants around the world in 119 countries and **they** serve about 68 million customers every day. The story of McDonald's began in 1940 when two brothers, Richard and Maurice (Mac) McDonald, opened a new restaurant called 'McDonald's Famous Barbeque'.

It was a successful business but the brothers wanted to sell more food and make more money, so in 1948 they made some changes. For example, **they** tried a new way to cook and serve food faster – and McDonald's became one of the first fast food restaurants in the world. In addition, they made the menu more simple: hamburgers, cheeseburgers, sodas and milkshakes. There were no longer any waitresses to serve food, so customers ordered food by themselves at a counter.

In 1954, a man called Ray Kroc joined the company and later bought **it** for 2.7 million dollars. The company is now worth many billions of dollars. There is a McDonald's museum that is located in San Bernardino, California where the first McDonald's was built. It's open daily from 10:00 a.m. to 5:00 p.m.

LESSON

Reading and Grammar: McDonald's

Aim Reading and Grammar Practice

Level Intermediate

NOTES

Begin the lesson by asking your learners what they already know about McDonald's restaurant.

Distribute the Reading Comprehension sheet (the ten questions on page 2) before your learners actually read the text on page 1. Give them about a minute to quickly go over the questions and remind them that they want to skim and scan the text to answer the questions quickly – remember: good readers do two things: (1) understand what they read; (2) read quickly. Consider giving your learners an appropriate time limit to read and answer all the questions (about 10 – 15 minutes) – write this on the board so everyone is aware of it. This time may vary somewhat depending on your own specific group of learners, so be flexible.

For the Grammar-in-Context section, make sure that your learners have put away the original reading text before completing the exercise.
