SUGGESTED ACTIVITY IDEAS

1. Race Against the Clock

Distribute the handout one per learner – and then set a time limit to complete the list. How many words can they write, for example, in ten minutes?

2. Team Competition

Break the class into small groups and see which team can complete the list first.

3. More Points for More Letters Used

Consider awarding teams one point for each letter used. For example, 7 points for 'fireman', but only 5 points for 'pilot'.

4. Project the Letters

Display the letters on the board if you have a projector. Have students write their words on the whiteboard.

5. Activity Extension

Consider having your learners trying to use all the words they formed in a written story.
