This vocabulary quiz can be done as a fun, “stand-alone” activity – but, if your learners’ vocab level is low (or if you’re looking for something a bit different for your students), it may be better for them to view the 20-minute YouTube video first.

Before the quiz, choose either:

(1) Together with your students, watch the video in class (see link below):

Or

(2) Send your students the link on the previous day so they can watch the video for homework:
