

# Planet Earth

■ Write the correct letters and numbers in the spaces on the map.

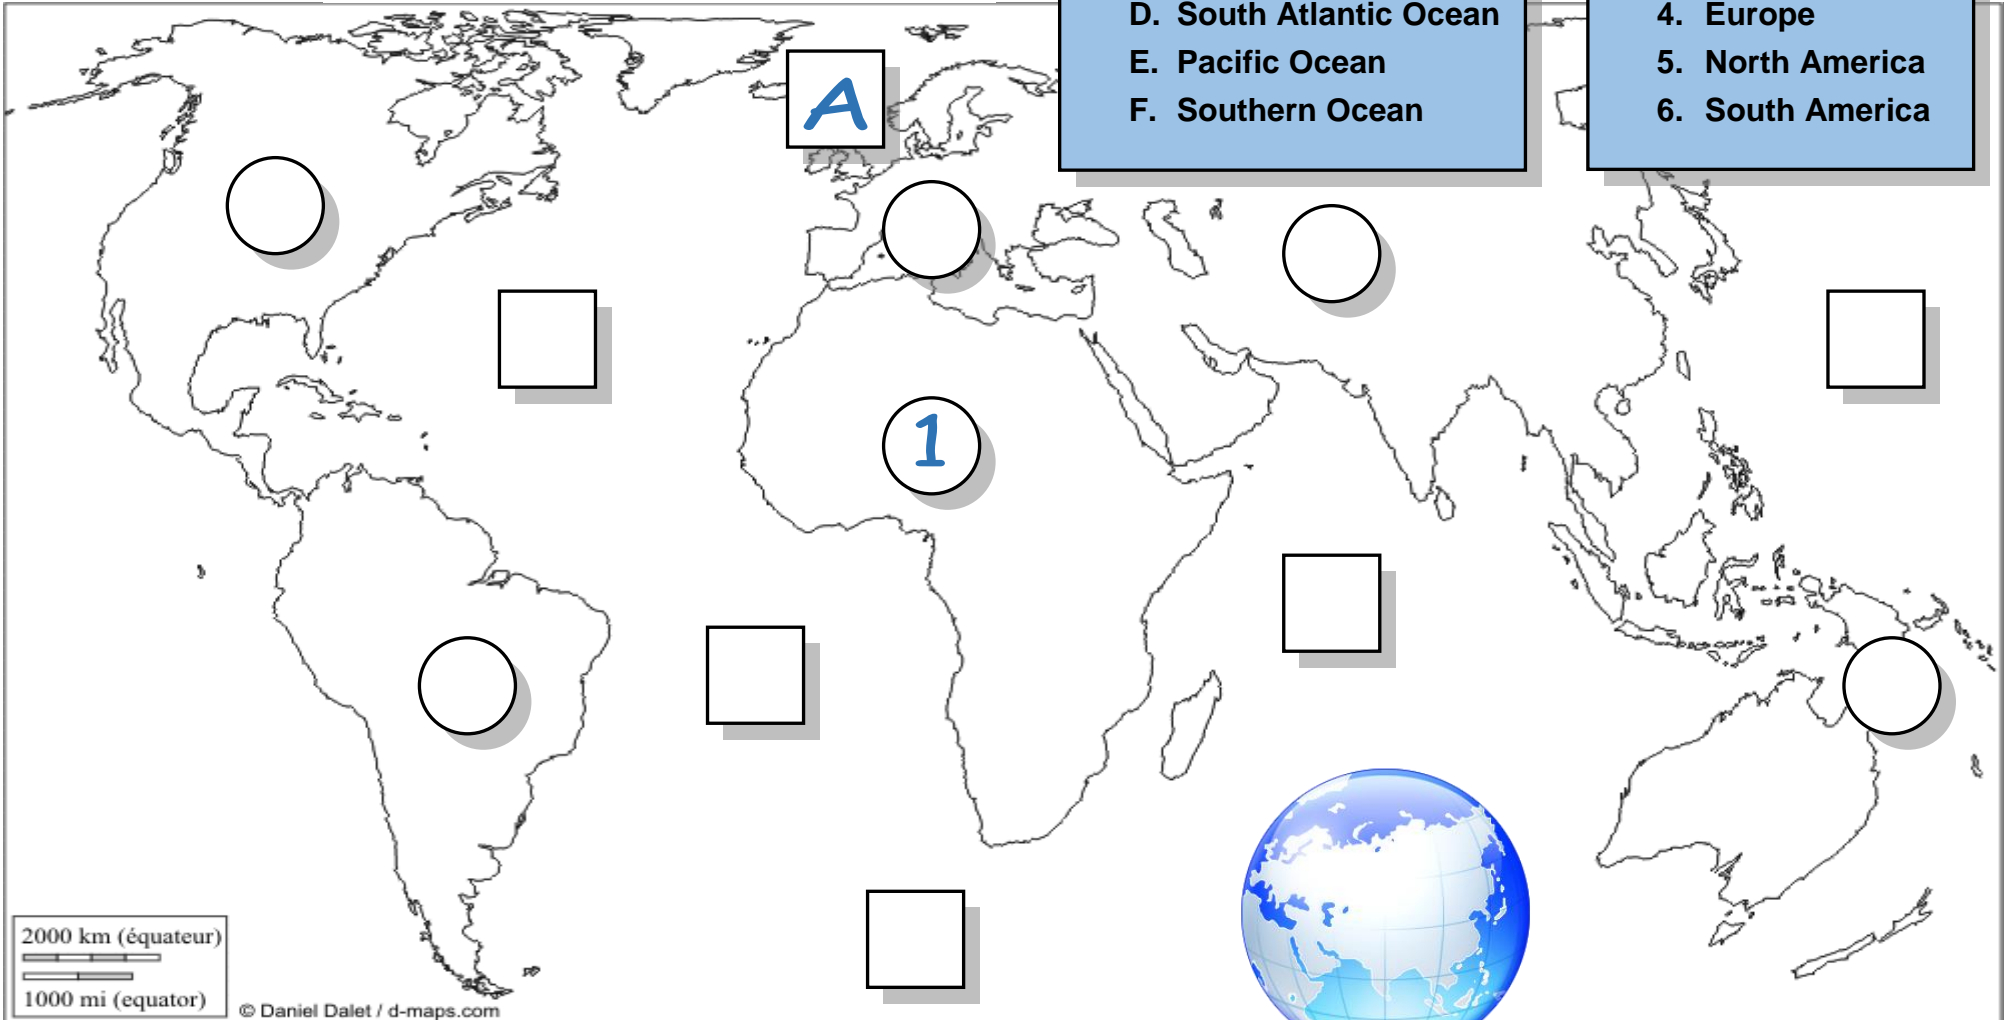

## Oceans

- A. Arctic Ocean
- B. Indian Ocean
- C. North Atlantic Ocean
- D. South Atlantic Ocean
- E. Pacific Ocean
- F. Southern Ocean

## Continents

- 1. Africa
- 2. Asia
- 3. Australasia
- 4. Europe
- 5. North America
- 6. South America

# Planet Earth

■ ANSWERS

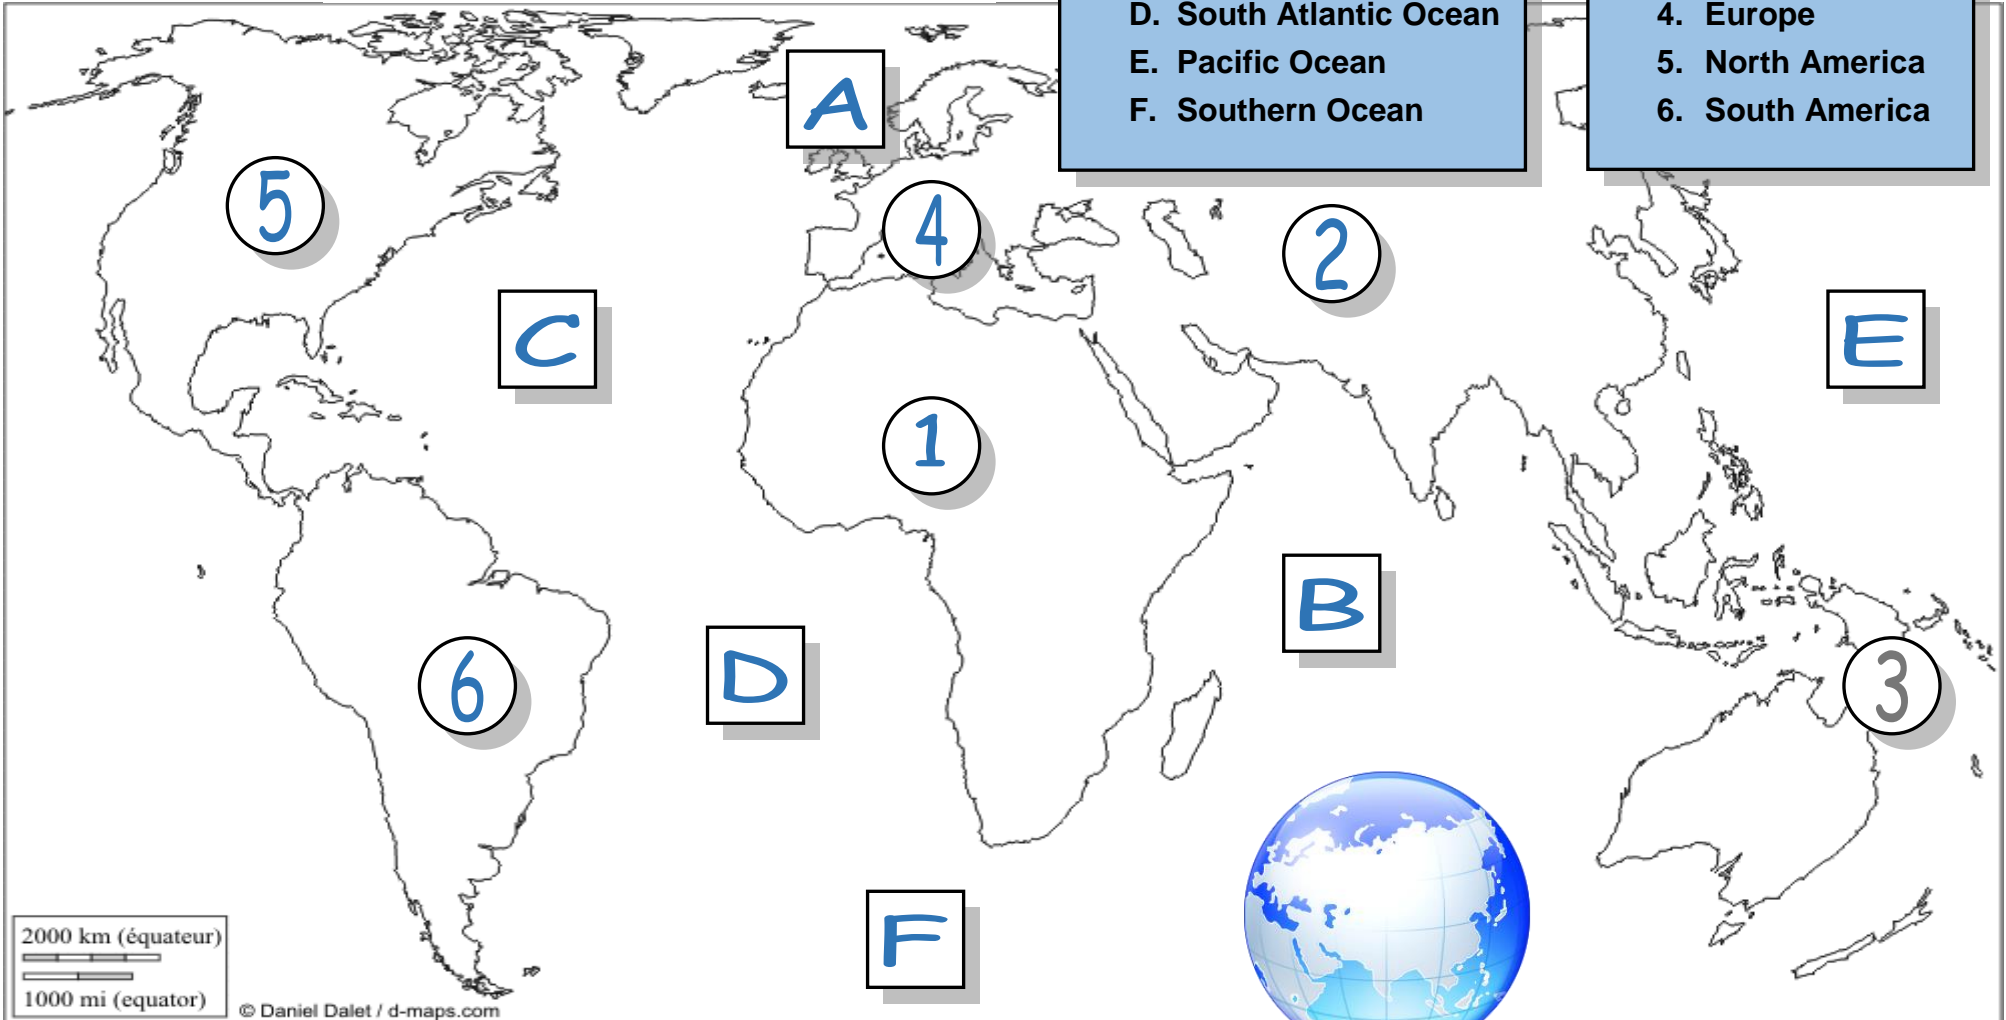

## Oceans

- A. Arctic Ocean
- B. Indian Ocean
- C. North Atlantic Ocean
- D. South Atlantic Ocean
- E. Pacific Ocean
- F. Southern Ocean

## Continents

- 1. Africa
- 2. Asia
- 3. Australasia
- 4. Europe
- 5. North America
- 6. South America

# BONUS HANDOUT

# Planet Earth

**Aims** Vocabulary and speaking practice

**Level** Intermediate to Advanced

**Time** Approximately 15 - 20 minutes (excluding extension activity)

## NOTES:

### (1)

Lead in with the question of how many continents and oceans there are. See if your students can name them, and write them on the board as you hear the students call them out.

(5 minutes)

### (2)

Seat your students in pairs, distribute the handouts (one per student), and set a time of about 10 minutes for students to complete the handout. Encourage cooperation and discussion.

(10 - 15 minutes)

### Extension Activity (for Advanced Class)

Divide the class into five groups and have them brainstorm the names of countries that can be found on each continent. Draw six columns on the board for the groups to write their answers (to demonstrate, write down the examples of the countries found in Australasia – see the box below).

Some of the countries found on each continent:

#### Africa

Algeria  
Chad  
Egypt  
Ghana  
Kenya  
Libya  
Madagascar  
Nigeria  
South Africa  
Tunisia

#### Asia

Afghanistan  
China  
India  
Indonesia  
Japan  
Malaysia  
Oman  
Philippines  
Singapore  
Vietnam

#### Europe

Austria  
Belgium  
Croatia  
Denmark  
France  
Georgia  
Iceland  
Italy  
Turkey  
United Kingdom

#### North America

Bahamas  
Canada  
Cuba  
El Salvador  
Haiti  
Jamaica  
Mexico  
Nicaragua  
Panama  
United States

#### South America

Argentina  
Bolivia  
Brazil  
Chile  
Columbia  
Ecuador  
Paraguay  
Peru  
Uruguay  
Venezuela

#### Australasia

Australia  
Fiji  
Marshall Islands  
New Zealand  
Papua New Guinea  
Samoa  
Solomon Islands  
Tonga  
Tuvalu  
Vanuatu

Note that Australasia is sometimes referred to as “Oceania”. Note also that Antarctica is not shown on the map.

(10 minutes)

Once the country names are on the board, extend the activity further with your own discussion questions, or with a guessing game.

#### IDEA!

Follow up this activity by assigning a short homework assignment. Have them write two paragraphs to compare and contrast any two of the continents.
