Many people think it's a good (1) idea to go to bed early while other people think it's (2) _____ to stay up late. In my (3) _____, it's much better to go to bed early. This (4) _____ offers three reasons to support my opinion. To begin, if you go to bed late you (5) _____ get up late and you (6) _____ be late for school or work. However, you probably won't be late if you get up early. My father, for example, always gets up early and he is (7) _____ late for work. Secondly, you can't think well if you don't get (8) _____ sleep and you may make mistakes at work or school. For (9) _____, last week, I went to bed early, got up early, and had a test later at school. I passed the test with an A+. (10) _____, when you go to bed early, you look better and you feel better. For all these reasons, I definitely (11) _____ that going to bed early is better than going to bed late! Don't you (12) _____ with me?
